Unlike the traditional tour GoCar gives passengers complete autonomy over where, what and in what order they want to see sites and also how long they want to spend at any given point.

3. Extras

There's more: if they also choose to have a Treasure Hunt we'll include 3 personalised questions (about the groom and/or the bride) in the Treasure Hunt Roadbook.

You can also choose for a professional stripper to get the party started.

3.1 Professional stripper

Surprise the bride or the groom with a stripper, who will assume the character of a policeman/woman. The idea is; when the group comes back from the tour there will be a policeman/woman waiting for them in the shop ready to give them a fine. The police will have received multiple complaints about the noise they made in the streets.

You can book a professional stripper for 200€ for 15-20min.

3.2 Treasure Hunt

The Treasure Hunt will add more fun to their visit by allowing them to discover the hidden secrets of the city and know more about its culture and traditions.

The objective is to complete the activities and answer as many questions as possible from the moment they start the GoCar tour until they get back to the shop.

Treasure Hunt means: Team activities, Involvement, Action and Fun!

The passengers' skills will be tested during the Treasure Hunt Tour, in which they will be asked to do different activities detailed in a roadbook. A camera or phone with camera per GoCar will be needed for these tasks, the rest of material will be provided by GoCar.

Each task gives a specific number of points. The aim is to accumulate the maximum points possible to be the winner!

The winning team will be rewarded with one of the following:

- a) GoCar hats or T-shirts and a bottle of cava! or
- b) a studio photo session with & a CD with a very special picture of the groom or bride to be (& friends) with Barcelona as a background
